The Helping Angels was founded in 2008 as a non-profit organization to assist the less privileged. It was known as the Helping Angels Foundation of America providing educational and employment opportunities for people. From the on-set, the Lord sent a prophet and a prophetess to reveal to me that the organization was a church. I was just a young minister, and was not prepared to establish a church. My disobedience led to series of challenges and problems that I got swallowed by a whale just like Jonah who refused to go to Nineveh to preach the gospel. The problems were so compounded that I could compare my trials with that of Jonah, Job, and Joseph the dreamer. Even though I was actively involved in church activities, God's plan for my life was different. The bible stated "God is not a man that He should lie nor the son of man that He should change his mind: hath He spoken and shall He not bring it to pass?" Number 23:19

Even after all the challenges, I refused to establish the church. I had a brother who passed away in 2010. He was the founder of Christian Faith Ministry Warri. When He passed, I was contacted by the board of trustees to take over the leadership of the church. At the same night, the Lord appeared to me in a dream and said "Do not go, I am bringing the church to you". Since then, I have been actively involved in different churches which includes but not limited to Christ Harvest Missions USA, and New Ark of Christ Missions USA, and a co-founder Royal Christian Embassy USA. In January 29th, 2014 I had a revelation: I was standing on a top of rock and under the rock were streams of pure crystal clear water flowing under the rock. Then I heard the voice of the Lord saying "I am the Lord who called you, your calling is confirmed. And the Lord led me to read Roman 8:30 which stated: And those He predestined, He also called; and those He called, He also justified and those he justified, he also glorified.

In another revelation, I was climbing a big tree, after getting to the top of the tree; I came down through one of the branches. On reaching the ground, I discovered I was standing by the bank of a river, and on the ground I picked up a shining precious stone like diamond. Just of a sudden I heard a voice saying "in this place will I bless you and bless them I am the Lord. Despite the contribution I had made towards the body of Christ, my challenges continued. I started losing my multi-million dollar businesses. Everything that I hold dear to my heart and everything that worked very hard for started diminishing. Finally, the Lord appeared to me again and said: "your church is coming". After several revelations, it became very evident that the Lord was calling me into the ministry of helping people. Since its inception, God has used this ministry to bless so many people. The Ministry has been marked with miracle, signs and wonders. God also led me start an international conference attracting people from all over the world to worship Jesus Christ, the King of kings and the Lord of lords. May God use this ministry to bless and grant you your heart desires just as He has promised in Jesus Mighty name, Amen

Jesus Vision Statement

Jesus declared his vision statement in Matthew 28:18-20 saying, “All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

But today many teachers of the word have deviated from this great commission of bringing people to Christ. They are now distracted with the messages of prosperity and miracles. They are now fully occupied with working miracles rather than preaching the message of salvation. So many people are being misled to seek after miracle rather than maintaining their salvation. Jesus was moved with compassion to heal and meet the peoples need. Whenever He performs any miracle, He will tell them to go and sin no more. Many preachers are no longer moved with compassion towards sinners. Worries of this earth have taken over many. The goal of our conference is to ignite the love of God among believers again: Mathew 6:33 seek ye first the kingdom of God and his righteousness and every other thing shall be added unto you.

The mission of Jesus and our believe as Christians

1. **Redemption and Salvation:** Christians believe that Jesus' primary mission was to redeem humanity from sin. Through his life, death, and resurrection, Jesus offers salvation to all who believe in him (John 3:16). His sacrificial death is seen as atonement for sin, providing a path for reconciliation between humanity and God.
2. **Teaching and Revelation:** During his earthly ministry, Jesus taught about love, compassion, and the Kingdom of God. His parables and sermons, such as the Sermon on the Mount, provide moral guidance and reveal the nature of God and His expectations for humanity.
3. **Fulfillment of Prophecy:** Many Christians view Jesus as the fulfillment of Old Testament prophecies regarding the Messiah. His coming is seen as an integral part of God's larger plan for humanity, bringing hope and restoration.
4. **Establishing the Kingdom of God:** Jesus preached about the Kingdom of God, inviting people to enter into a new relationship with God. He emphasized that this kingdom is a spiritual reality that begins in the hearts of believers, characterized by justice, mercy, and humility.
5. **Demonstrating Love and Compassion:** Through his actions—healing the sick, feeding the hungry, and caring for the marginalized—Jesus exemplified the love and compassion of God. He interacted with various groups of people, breaking societal norms to extend grace and kindness.
6. **Sending Disciples:** Before his ascension, Jesus commissioned his followers to continue his work, known as the Great Commission (Matthew 28:19-20). This involved spreading the message of the gospel, baptizing believers, and teaching them to follow his teachings.
7. **Restoration of Creation:** From a broader theological perspective, Jesus' mission includes the ultimate restoration of creation. Christians believe that through him, God will reconcile all things to Himself, culminating in a new heaven and new earth (Revelation 21)
